What? Support mission and outreach within our own churches.

## YOUTH WORK

## MISSION

Non-verbal illustration “stuff of life” powerful, visual, relevant to today’s culture. Expressing our faith in a creative way.

Questions to be answered—possibly

Who is God? Is He relevant today? What is faith?

These are just some thoughts for you to ponder. We will keep you all informed of our meetings next year and hope that some of you will join us.

Blessings to you all.
